**Instructional Course: Orthopaedic Spine Surgery
"28th Ulm Spine Week" - March 1st to 6th, 2020**

Dear Colleagues,

due to the worldwide increasing numbers of Covid 19 infections and a recently confirmed case of infection in the area of Ulm unfortunately we have to cancel the 28th Ulm Spine Week. We hope that by this decision we can make our contribution to limit the further spreading of this disease and hope for your understanding.

Yours sincerely,

Prof. Dr. H. Reichel
